

LETTER OF ACHIEVEMENT

MARY SPENCER - RESPECT

Hi

I am honoured to send you this letter of Congratulations. I hear you have conquered the Canadian Olympic School Program Challenge and have earned your Passport to London! Well done!

I challenge you to continue to live with the highest expectations of yourself when it comes to leadership, respect and healthy active living. In my mind, these are the values of true champions. You have shown your peers at school and in your local community that you are capable of great things. Be sure to hold yourself to this standard of personal excellence going forward.

As you know, respect is a value I hold very close to my heart. I take personal pride in respecting others, both inside and outside of the ring. Earning your Passport to London, it is evident that you feel the same. As I work toward the London 2012 Olympic Games and achieving my dream of earning an Olympic gold medal, I hope you set your sites on an ambitious goal of your own. Together, we can work hard towards our goals. Putting your energy towards something you are passionate is time well spent.

I am inspired by your actions. Know that Canadian Olympic Team is very proud of you. Dream big dreams.

Go Canada Go!

Mary Spencer
